Some useful information

A pencil case- In level 3/4 we ask that the children have their own pencil case to keep in their tub at school. This way the children can keep all of their personal stationery safe.

Art smock- The children will need an Art Smock again this year. Could we please ask that you check if the Art Smock still fits as some are becoming too small!

Tissues- It would be appreciated if every child could bring in a box of tissues for our room to share, particularly in the winter months. We go through quite a few with runny noses!

Hats and Water- Please ensure your child has a named school hat to wear out in the yard this term. Children play in designated shady areas if a hat is not worn. We encourage water bottles to be brought to school during these warmer months.

Uniform- A reminder about students wearing correct uniform. Please provide a note if a student is out of uniform for any reason. Students may wear free dress on their birthdays or a day close to their birthday if the birthday falls on a weekend or during term break.

Brain Food- Students need to bring in a substantial healthy snack as lunch is not until 12:10. Please be aware that there are two students in 3/4B with nut allergies.

Student Absences- If your child is away from school for any reason we require notification through either Flexibuzz or a note/email to your child's teacher.

Getting to know you Conferences

Our 'Getting to know you' Conferences are an opportunity for you to meet your child's teacher and share information about your child. Attached is a questionnaire that we ask you to return before or bring to the interviews.

Library

Children will be encouraged to borrow books from the school library on a weekly basis. These books will be used for classroom reading.

PE (Sport)

Please ensure that your child wears appropriate footwear and clothing on their sport day.

Homework and Reading

Your child will receive homework starting in week 4. This will be due back each Monday morning. Your child's home learning will include a variety of tasks related to the content covered in class. This may include maths, literacy, health and life skills. We expect students to read regularly and complete home learning tasks. We would appreciate your support in helping your child to establish a consistent home learning routine by providing assistance if needed and a quiet a place in which to work. Please check work at home for spelling and grammar errors. Teachers will be having discussions with children about the home learning expectations this week.
