Mount Evelyn Primary School Out of Hours Care Program.

Welcome to the Mount Evelyn Primary School Out of Hours Care Program.

This program is operated by the school to provide high quality before and after school care for all students enrolled at Mount Evelyn Primary School. Additionally our service provides a Vacation Care Program for primary school age children attending local schools. Children attending Vacation Care are invited to participate in a number of excursions, incursions and themed days.

Our service is nurturing, rich and diverse and supports the learning and developmental needs of all children. Working alongside our families, we create an environment with an exceeding quality and level of care. Our highest priority is to provide a friendly and educational program for all children.

We encourage incoming Foundation students to participate in our January vacation care program. Children become familiar with the school environment, establish multi age friendships and build rapport with the OSHC staff. These children transition seamlessly into school.

Foundation students who attend before and after school care programs are collected from and escorted to the Foundation classrooms. The OSHC educators communicate daily with the Foundation teachers and this ensures a smooth transition and strong communication.

Care is offered on a permanent or casual basis and the CS subsidy is available for all families, making it a viable and affordable option. The Mount Evelyn Primary School OSHC ensures care from 6.30am until 6.30pm each day and your children will be engaged and well cared for by trained educators.

Further information is available from Melissa Mc Donald, the coordinator of the program. She can be contacted at osh@mtevelynps.vic.edu.au or 9736 2233.

Costs and fees for the OSHC program.
