PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Mount Evelyn Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Mount Evelyn Primary School grounds are supervised by school staff from 8:45am until 3:45pm. Outside of these hours, school staff will not be available to supervise students.

For 15 minutes before and after school, school staff will supervise the basketball court area and the front entrance of the school.

Parents and carers will be advised through the school newsletter of the before and after school supervision arrangements. Families are regularly reminded they should not allow their children

to attend Mount Evelyn Primary School outside of these hours. Families are encouraged to contact the school for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

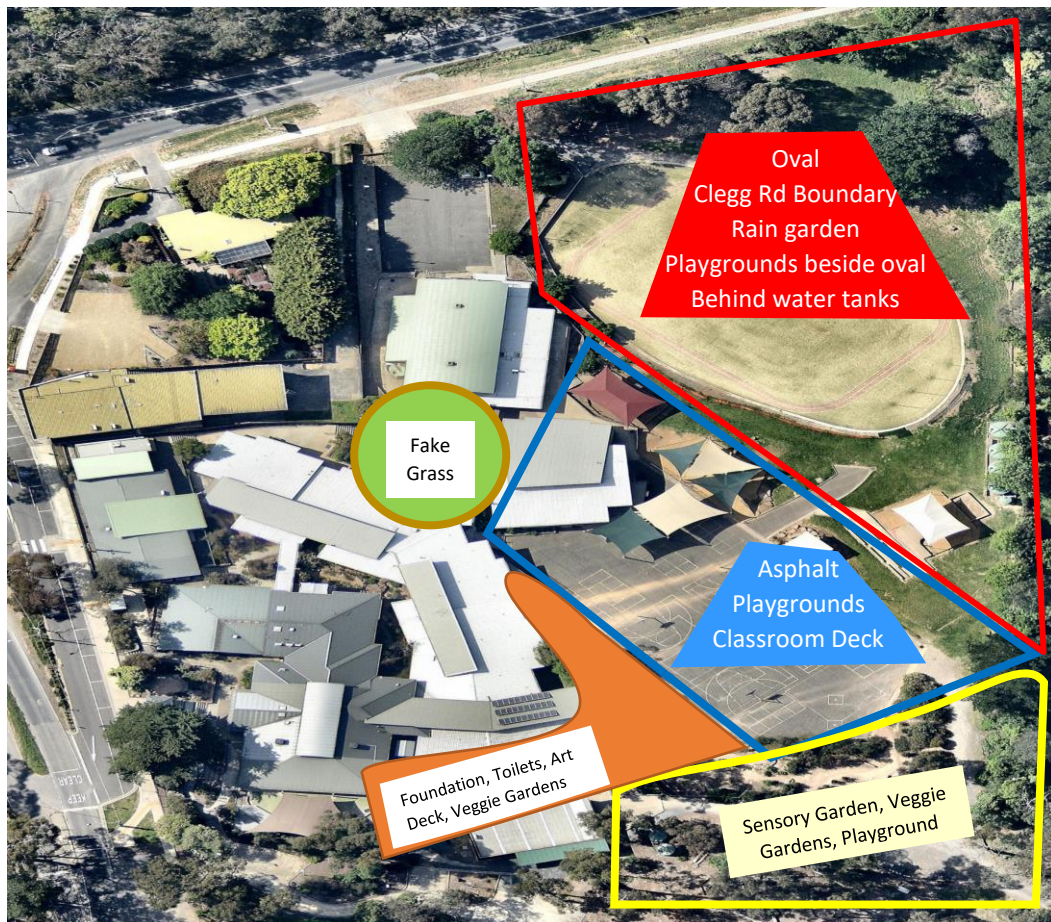

All staff at Mount Evelyn Primary School are expected to assist with yard duty supervision and will be included in the roster.

The assistant principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Mount Evelyn Primary School, school staff will be designated a specific yard duty area to supervise.

Yard duty zones

The designated yard duty areas for our school are:

Zone	Area
Area 1 - Foundation	Foundation Area, Art Deck, Toilets, Vegetable Gardens
Area 2 - Asphalt	Asphalt, playgrounds, decks above asphalt
Area 3 – Oval/Clegg Road	Oval and Playgrounds above and beside oval
Zone 4 – Sensory area	Sensory & Vegetable gardens
Zone 5 – Fake Green Grass	Synthetic grass area outside homestead building

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in the first aid room.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the first aid room.
- use the coloured cards in the yard duty bag when requesting assistance and when sending a student to the first aid room.

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on GradeXpert.

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should swap with another member of staff. This includes camps and excursions.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should contact the Assistant Principal and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first make supervision arrangements with the teacher in the adjoining classroom or contact the assistant principal for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

Digital devices and virtual classroom

Mount Evelyn Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Mount Evelyn Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised by volunteer staff in classroom settings.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored daily and marked in GradeXpert.
- any wellbeing or safety concerns will be managed in accordance with our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

Other areas requiring supervision

When students are moving from classrooms or specialist areas to other areas of the school, they will be supervised by a teacher. When students ask to use the bathroom during class times, they must add their names to the sign out/sign in schedule.

Communication

This policy will be communicated to our school community in the following ways:

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Included in the staff handbook
- Made available in hard copy or via the policies folder on the school intranet

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent regularly in our school newsletter.
