## POLICY

### 1. School profile

Established in 1910 and located approximately 50km east of the CBD, our school is located amongst native bushland and is seen to be the hub of the community. Families and community members are highly involved in school events, and the participation of parents is strongly encouraged.

We have approximately 400 students enrolled from Foundation to level six and although our overall socio-economic profile places us in the low-medium range, we cater for a very diverse community. Mount Evelyn PS has 36 equivalent full time staff including 2 Principal class, 26 full and part time teaching staff and 12 Education Support and Administration staff. We also employ a fulltime wellbeing officer, chaplains to ensure the wellbeing of our students and refer students to external organisations as needed.

We have high expectations of our students and strive to provide a nurturing and challenging environment that empowers students to reach their personal best, academically, emotionally and socially.

### 2. School values, philosophy and vision

Mount Evelyn PS ensures that everyone in our school community will be treated with fairness and respect. In turn, we will strive to create a school that is inclusive and safe, where everyone is empowered to participate and learn. We prepare our students for fulfilling and productive lives in a rapidly changing world and encourage them to develop a lifelong love of learning.

With the active support of the community, we strive to maximise students' curiosity and engagement in their learning. We provide strong supports for students' social and emotional needs and our high quality, passionate staff deliver challenging and inspiring curriculum.

Our school values of respect, responsibility, care, integrity and safety are at the core of everything we do. These values are evident in all learning spaces and ensure consistency and a common language across all areas of the school.

### 3. Wellbeing and engagement strategies

Mount Evelyn PS has in place a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. At Mount Evelyn Primary School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Level and whole school assemblies, and other whole school events are opened with an Acknowledgement of Country
- Aboriginal and Torres Strait Islander flags are on display at the school office and throughout the school
- Students learn about, acknowledge and commemorate significant days and events in indigenous culture including Reconciliation Week and Sorry Day.
- Books celebrating indigenous culture and histories and perspectives are available in the school library and classrooms.
- Indigenous perspectives are included in curriculum plans at all levels.
- Displays identifying Indigenous perspectives and/or cultures are displayed throughout classrooms.
- Ensure a zero tolerance stance is taken towards acts of racism within the school. Students will be supported through the school's wellbeing programs to understand about forms of racism. Students displaying racist behaviours will be supported through this policy, the Bullying Prevention Policy and the Diversity and Inclusion policy.
- Ensure all staff have an understanding of indigenous cultures and through completion of CUST (Cultural Understanding and Safety Training)

#### **5. Identifying students in need of support**

Mount Evelyn PS is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. Our student wellbeing team plays a significant role in developing and implementing strategies to help identify students in need of support. We use the following information and tools to identify students in need of extra emotional, social or educational support:

- academic performance
- observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation
- attendance, detention and suspension data

## 6. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- learn in a happy, safe and secure environment that provides challenge and support
- be treated with respect and fairness
- learn in an environment free from bullying, harassment, violence, discrimination or intimidation

- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team. Further information about raising a complaint or concern is available in our Complaints Policy.

## 7. Student behavioural expectations

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour is not tolerated and will be responded to consistently with Mount Evelyn Primary School's Bullying Prevention policy.

When a student acts in breach of the behaviour standards of our school community, the school will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

*Disciplinary measures that may be applied include:*

- *communicating with a student that their behaviour is inappropriate*
- *teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour*
- *withdrawal of privileges*
- *referral to school leadership*
- *restorative practices*
- *behaviour support and intervention meetings*
- *suspension*
- *expulsion*

See **Appendix 1** for Mount Evelyn PS's whole school approach to behaviour management.

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>
- <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education and Training.

The Principal of Mount Evelyn Primary School is responsible for ensuring all suspensions and expulsions are recorded on CASES21.

Corporal punishment is prohibited by law and will not be used in any circumstance at our school.

## **8. Engaging with families**

Mount Evelyn Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:
